1. Customer Service Enquiries: info@biolifesas.org
2. Pricing

All subscription prices are in EURO and include VAT.

Biolife Publishers reserve the right to amend subscription prices from time to time.

3. Shipping and Delivery: via e-mail, FTP account, website access.

Subscribers can choose a start date for their subscription up to three issues ahead of the current issue. If a start issue is not specified, you will receive any back issues of the same year of subscription and the next available issues of the same year of subscription.

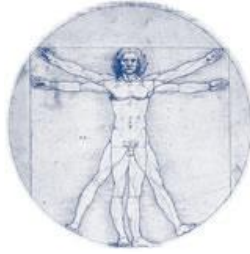

If you do not receive your copy as expected, or have any questions regarding your order, please email info@biolifesas.org.

4. Refunds/Cancellations

We will extend your subscription pro-rata if we are at fault in failing to deliver you an issue. Cancellations do not incur in penalties.

5. Payment terms

Upon receipt of your request for subscription, we will issue a pro-forma invoice. When payment is received via bank transfer or credit card payment (visa/mastercard) we will send you the first issue of the current year.

6. Subscription period:

The yearly subscription goes from January to December. Back copies will be sent of the same year of subscription.
